

Field: Microfinance Banking

Name: Tameer Micro Finance Bank Limited

Head office: Karachi, Pakistan

Brief Description of Organization:

Tameer Microfinance Bank Limited (TMFB) is a private commercial Microfinance bank licensed by the State Bank of Pakistan under the Microfinance Institutions Ordinance 2001. TMFB is a majority (51%) owned subsidiary of Telenor Pakistan

Tameer Microfinance Bank (TMFB) distinguishes itself from other Microfinance Banks by being one of the first nation-wide, private sectors, non-NGO transformed, commercially sustainable micro-finance institutions in Pakistan. Tameer Microfinance Bank (TMFB) aims to provide dedicated services to the economically active poor and to be demand driven, client centered and responsive to the special needs of our customers. Serving low-income, salaried, self-employed and micro entrepreneurs men and women with a range of financial products designed to allow them to grow their businesses and produce significant economic multiplier effects throughout local economies is our forte.

In December 2008, Telenor and Tameer Bank joined hands to launch Pakistan's first Branchless Banking Service. In this joint venture, the two created a new financial services brand "Easypaisa".
